

SAN LUIS OBISPO CALIFORNIA WOMEN FOR AGRICULTURE

PARTNERSHIP BROCHURE

Established in 2009, our mission is to promote, protect, and preserve agriculture in San Luis Obispo County through public relations, education, advocacy, and leadership.

Your support helps us grow and protect our local agriculture community through scholarships for students in agriculture and youth programs like 4-H and FFA, educational outreach, leadership and networking opportunities for future ag leaders, and public advocacy efforts that strengthen and promote our industry. Years after years, donors like you help keep our chapter growing and alive. Our commitment as a chapter to local agriculture would not be where it is today without YOU and our community's support.

THANK YOU FOR HELPING US CONTINUE TO PROMOTE, PROTECT, AND PRESERVE AGRICULTURE IN SAN LUIS OBISPO COUNTY! WE WOULD NOT BE WHERE WE ARE TODAY AS A CHAPTER WITHOUT YOUR SUPPORT.

Email cwasanluisobispo@gmail.com for questions or further inquiries.

Each year, our annual scholarship program gives back to our community's hardworking youth involved in agriculture. From kids' 4-H and FFA projects to a carefully selected, collegiate-level paid intern (instead of our previous collegiate scholarships offered), your contribution directly supports students like these.

In 2025, we received over 30 scholarship applications, and over 15 applications for this year's 2026 Social Media and Communications Internship! We thank YOU, because without your generosity, these awards and opportunities would not be possible.

*Help us support the
next generation of ag TODAY!*
